Congratulations and thank you for purchasing this livery pack from Mentour Pilot.

Step 1:   Copy the downloaded zip file into your X-Plane livery folder.

C:\Program Files (x86)\Steam\steamapps\common\X-Plane 11\Aircraft\Laminar Research\Boeing B737-800\liveries\

For the Custom install:
If you happened to use a custom location for your X-Plane installation, then proceed there.
eg. DRIVE LETTER:\X-Plane 11\Aircraft\Laminar Research\Boeing B737-800\liveries\

Step 2:   Unzip the downloaded zip file inside your community folder.

Your file structure should now look like this:

Name	Date modified	Type
Air China	04/07/2020 02:19	File folder
Alaska	04/07/2020 02:19	File folder
Delta	04/07/2020 02:19	File folder
KLM	04/07/2020 02:19	File folder
Mentour Pilot	04/07/2020 11:57	File folder
Qantas	04/07/2020 02:19	File folder

That's it! Start the sim and fly like Mentour!
